STATE CO-EDS DEFEAT WESLEYAN LASSIES

**Victory Gives Them Strong
Claim for State
Honors.**

The State co-eds defeated the Kentucky Wesleyan lassies by a score of 16 to 9 in the final fray of the season Saturday night. Both teams played an excellent game and it was one of the fastest girls' games seen at the Auditorium this season.

At the end of the first half Doctor Tigert's bunch had a two-point lead on the Wesleyan girls and this they increased to seven in the second half by hard playing.

For the State goal-shooters Miss Taul was able to locate the basket in her old time style and Miss Wood played an excellent game at guard. Misses Hughes, Heller and Innes performed in their usual good manner as did Miss Geisel. For the visitors Miss Day played one of the best individual games ever seen here. Miss Porter also performed well.

The line-up:

State—Misses Hughes, Taul and Geisel, forwards; Miss Heller, center; Misses Innes and Wood, guards.

Wesleyan—Misses Butler and Day, forwards; Miss Porter, center; Misses Cooper and Courtney, guards.

Field Goals—Miss Hughes 2, Miss Taul 3, Miss Innes 1, Miss Wood 1, Miss Butler 1, Miss Porter 1.

Free Throws—Miss Taul 1, Miss Heller 1, Miss Day 5.

Umpire—Knapp, of Central.

Time of Periods—15 minutes.

This victory over Wesleyan gives the State girls a strong claim to State championship honors. The only other possible claimants are the University of Louisville and Transylvania, both of which teams have been twice defeated this season. The State girls have lost only one game and that to the University of Louisville in a previous game, and Coach Tigert says if they had shown their usual style in this game, they would have won easily. In a previous game, the quintet defeated the Louisville squad, which gives the two teams an even break.

Although the season is over, Coach Tigert has announced that the team will meet any girls' team in the State for the championship, the third game, should one be necessary, to be played on a neutral floor.

The State bunch has defeated every team it has met this season with the exception of Louisville, with which they had an even break, and Louisville declines to play a third game. Unbiased basket ball fans should not dispute their claim for the State championship.

Under Doctor Tigert's coaching in the past four years they have lost only four games.

You must get one of those Kentuckians.

DAN CUPID'S DARTS FINDS MANY TARGETS

Sir Dan Cupid worked overtime at the University last week and as a result of his activities, three engagements have been announced.

Miss Sue Swigert Lyne, a student at the University last year, will be married in June to Mr. Jean Shepard Milner, of Louisville.

Miss Josephine Denton, a former student, will be married in April to Dr. Edmond C. Coffman, of Lewisburg, Ohio. Dr. Coffman is a prominent young dentist of Lewisburg, and is a graduate of the Ohio College of Dental Surgery and a member of the Psi Omega fraternity.

The marriage of Miss Sue Mathews to Mr. Walter W. Fitzpatrick, of Clemson College, South Carolina, will be celebrated in the early spring. Mr. Fitzpatrick is a '13 graduate in the College of Agriculture and is now engaged in the government services as State Dairyman of South Carolina.

BASKET BALL SQUAD HAS UNIQUE SEASON

**Defeats Every Team Played
and Beaten by All Ex-
cept One.**

The season just finished by the State basket ball team was one of the most unique the Blue and White has ever experienced. They defeated every team played and were beaten by each quintet, except Maryville, with which only one game was played. They lost every game played on the opponents' floor and, with one exception, won every game played on the home floor. The basket ball team ran up a total of 311 points to their opponents' 296, a lead of 15 points, which is almost as much as their majority in the Maryville game, the only team to which they did not lose a game.

Captain Ralph Morgan lead in scoring by a wide margin with Tuttle and Zerfoss close together.

Next year's captain has not been selected, but the honor will probably go to Zerfoss, Gumbert or Server.

State's 1915 record follows:

State 37, Maryville College 17.

State 18, University of Louisville 14.

State 35, St. Andrew's 15.

State 23, University of Tennessee 35.

State 22, University of Tennessee 25.

State 33, Vanderbilt 39.

State 36, Vanderbilt 34.

State 22, University of Tennessee 11.

State 20, University of Tennessee 18.

State 25, St. Andrew's 50.

State 15, University of Louisville 26.

State, 311; opponents, 296.

Last "K" Hop at Buell Armory Saturday night, March 13, 8 to 12 p. m.

Don't forget to see "her" and make that date.

GEORGETOWN TO MEET VARSITY DEBATERS

**Contest Will be Held in Uni-
versity Chapel Friday
Night.**

The first debate of the Kentucky Intercollegiate Debating Association for the year will be held in the University chapel Friday night at 8 p. m., between Georgetown and Kentucky State University. The contestants are prepared for the fray and will uphold the record of the association in debating. The question for discussion is, "Resolved, That the State of Kentucky Should Adopt a Unicameral System of Government." State debaters will uphold the affirmative. The team is composed of Messrs. S. S. Combs, C. W. Bailly and J. N. Farmer. Georgetown College, represented by Messrs. J. T. Neal, R. Hubbard and E. W. Foster, will defend the negative.

On last year Georgetown won from Transylvania and State defeated Central.

Transylvania and Central will meet at Danville some time during the month of March.

Mr. S. D. Boggs, of Central, president of the association, will preside. The judges have been chosen by the committee but have not yet been announced.

"A KENTUCKY BELLE" PLEASES AUDIENCE

"A Kentucky Belle," presented by the young women of the Philosophian Society at Buell Armory last Wednesday night, pleased the large audience and all united in saying that it was one of the best performances that has ever been given at the University.

A feature of the play was the portrayal of the male characters by the girls, which was well carried out, although, perhaps, they lacked some of the impetuous love-making qualities of a "real man."

The IDEA has not space enough to enumerate the strong points of the members of the cast, but each carried her part with much skill and grace.

Misses Ina Darnall and Martha Var-non had the leading roles and scored immediate hits.

ANNOUNCEMENT BY BULLETIN EDITORS

The editors of the University Bulletin wish to say that announcements do not come to them by intuition. They do not like to leave any notices out of the bulletin, but, it is impossible for them to get everything by calling up all buildings on the campus and many of the professors.

Student promoters of clubs and societies should phone or bring notice of their meetings into the Journalism Department on Friday afternoons between the hours of 2:30 and 4:00. Then no one can complain of being left out.

STATE WITHDRAWS FROM K. I. A. A.

Kentucky State University was notified that it would be reinstated in the K. I. A. A. after a suspension since June, 1912, at a meeting of the Association held at the Phoenix Hotel, Tuesday, and immediately signified its intention of withdrawing.

While this action of the K. I. A. A. will not in any way affect the athletic situation at the University, their reinstatement and withdrawal as member in good standing will remove a most unfortunate blot from their past record.

Kentucky State was suspended in 1912 from the K. I. A. A. for alleged violations of the eligibility rules of the association in playing Burris and Park on the baseball team. These men were accused of professionalism but the charges were not substantiated before the S. I. A. A. and Park was allowed to play the next year after the University had been reinstated in the Southern Association but the K. I. A. A. has never seen fit until the present time to reinstate Kentucky.

STATE-CINCINNATI DEBATERS BREAK EVEN

**Home Team in Each Debate
Wins Decision Over
Visitors.**

In a double debate Saturday night the law schools of Kentucky State and University of Cincinnati, each won a decision. One debate was held in chapel here and another at the same time at Cincinnati. Each home team upheld the affirmative side of the question and the visiting team the negative, and each home team lost a decision.

The subject of the debate was: "Resolved, That the Safety of the United States Requires that She Maintain a Navy Equal to Any of the Great Navies of the World," and the preponderance of the argument in both cases seem to be that the United States should not maintain such a navy.

In spite of the fact that one of the members of the Cincinnati team was a young lady, Miss Naomi Rasinsky, the Kentucky State team debating at Cincinnati, composed of B. D. Sartin, F. A. Harrison and J. D. Chamberlain, won the decision by a two to one vote. The Cincinnati team included Miss Naomi Rasinsky, L. E. Conway and Wendall Keyser.

A large audience heard the debate here, which the Cincinnati team won by a vote of two to one. The members of the team were: For Kentucky State, Thomas L. Creekmore, G. C. Bradley and J. E. Torrence and for Cincinnati, R. E. Werner, J. M. Bearman and David Rosenberg. The judges were Prof. M. A. Cassidy, E. L. Quarles and Judge Samuel Wilson.

HIGH SCHOOL MEET SCHEDULE ANNOUNCED

**Will be Held May 12, 13, 14
and 15 on Stoll
Field.**

Dr. William L. Anderson, who will have charge of the Interscholastic Tournament this year, announced yesterday that the tournament would be held as usual on Stoll Field May 12, 13, 14 and 15. Doctor Anderson has been quite successful in his work as physical director of the University this year and has taken a deep interest in athletics throughout the State.

Prof. Charles P. Weaver will have charge of the oratorical and musical events, which will be held in the city Auditorium, Woodland Park, on the evenings of the same dates.

All high schools have been divided into two classes, A and B, according to the size of the town, and there will be meets for each of the two classes, ending with an inter-class meet.

The schedule of the tournament, as announced yesterday follows:

List and order of track events—One-hundred-yard hurdle (hurdles 3 ft. 6 in.) (trials); pole vault; 100-yard-dash (trials); twelve-pound shot; 120-yard hurdle (trials); 100-yard dash (finals); half-mile run; 220-yard dash (trials); running broad jump; 440-yard dash (trials); running high jump; 220-yard dash (trials); 220-yard hurdle (hurdle 2 ft. 6 in.) (trials); one-mile run; 220-yard dash (trials); one-mile relay race.

There will be two contests in public speaking, one for boys and one for girls. Prizes will be awarded to winners of first and second in each contest.

There will be contests in music as follows—Vocal: solo and quartette; instrumental: piano and violin. Prizes awarded to winners of first and second in each case.

Medals will be awarded winners of each event in the track events.

The school securing the largest number of points in the tournament will be awarded the championship cup, which it shall retain one year. The school winning it for three years shall retain it permanently.

The game will start promptly at 2 o'clock in the afternoon.

All contestants are requested to report to clerk of course to receive their numbers and dressing assignments not later than 1:30 o'clock in the afternoon of the games.

It is necessary that you wear your number. Contestants can not start without it.

Clerks will make two calls for each event. Failure to answer name in person when heats or trials are assigned will result in disqualifications. Competitors will be allowed on track only at time of active time of participation. Coaches, trainers rubbers, etc., will

TELLING SMUTTY STORIES.

There is one man whom every self-respecting college student or professor in State University should hold in contempt: The man who profanes his mother tongue, dishonors the name of the one who suffering, brought him into this world, and pollutes the atmosphere in which he moves like the cancer eating at the very vitals of a human body.

That man is the one who dares to touch the minds of his associates with a touch more terrible than that of leprosy—THE SMUTTY STORY! Not content to keep his imaginings to himself, he sometimes sinks to the debasing degree of not only whispering his foul thoughts to others, but takes advantage of clean-minded boys usually younger than himself, and unloads on them even at banquets the filth and rottenness of his soul. Thanks to the growing sentiment for clean manhood, the decent students and professors of this institution have come to regard such an imbecilic character with disgust.

We can readily see that his intellectual resources are too scant to deliver themselves of uplifting thoughts. Ignorant, superficial and bereft of constructive ideas he resorts to staining the souls of his hearers, belching forth without restraint or restriction his vulgarity, simply as a cover for his shallowness. When he resorts to filthy stories, he has tagged himself. He is ignorant, uninformed, mentally weak, morally depraved, religiously stupid, socially cheap, and unreservedly low-born and ill-bred. Not being able to reason, think, analyze, express, vocalize and articulate in a decent fashion, he tells smutty stories.

Everyone within hearing, in his own mind, "is no better than he." He is not aware that General Grant, when hearing an officer begin a story with the statement "I see there are no ladies around," ordered him out of his presence with "Yes, but gentlemen are."

"Those things which proceed out of the mouth come forth from the heart; and they defile the man. For out of the heart proceed evil thoughts, murders, adulteries, fornications, thefts, false witnesses, blasphemies. THESE ARE THE THINGS THAT DEFILE." Matt. 15:18.

MOUNTAIN CLUB TO GIVE SOCIAL MEETINGS

A meeting of the Mountain Club, held in the chapel last week, was presided over by S. M. Nichols, president of the organization. About twenty members were present and enjoyed the interesting program which consisted of a song by Miss Marguerite Schweers, a talk by Mr. Hall, a reading by Miss Elkin on "The Moonshiner," and a poem from Professor Noe's "Loom of Life." The members all took part in a debate, the subject of which was, "Resolved That aid to the Kentucky Mountains is Prompted by a Spirit of Brotherly Love."

It was decided that the club should hold a series of social meetings at Patterson Hall. The dates are to be decided later.

WESTINGHOUSE REPRESENTATIVE TALKS

C. A. Kuebler, '10, Dayton Representative of the Westinghouse Electric and Manufacturing Company, lectured to the Seniors and Juniors in Mechanical Hall last Friday morning on "Fractional Horse Power Motors." Mr. Kuebler spoke of the development of the motor of less than 1½ horse power and the household labor-saving devices that have resulted. The lecture was illustrated by lantern slides and a demonstration with a small motor of the different labor-saving devices on which Mr. Kuebler lectured.

MINING NOTES

Mr. Rollie Foster, '12, College of Mines and Metallurgy, was a visitor at the University Monday. Rollie is with the Wisconsin Steel Company, at Benham, Ky., and says that he likes the work there very much. He is foreman of the coke yard. On Saturday, March 20, he will address the students of the Mining Department on "Coke Making."

Dean Norwood has announced the following as subjects for the theses of the Seniors:

W. H. Hanley and G. C. Rogers: "The Rehabilitation of the Indian Creek Coal Co.'s Mine at Indian Head, Ky., Including Surveys and Maps of Mine and Surface: A Problem in Practical Engineering."

W. H. Noel and H. L. Noel: "A Study of Mine Ventilation and the Effect of Humidification on the Power Required for Producing the Air Currents."

AT THE BEN ALI

It is said by some that not since the curtain was rung down on the careers of Henry Irving and Richard Mansfield has an audience witnessed a performance that could approach that of Mr. George Arliss in "Disraeli," scheduled for the first engagement here at the Ben Ali Theater, Friday and Saturday and Saturday matinee, under the management of the Liebler Company.

"Disraeli" deals with the statesman's successful endeavor to gain control of the Suez Canal for England, a work in which he meets with the secret opposition of diplomatic spies. There is consequential intrigue which has been softened by a love story and a glimpse of Disraeli's home life. The dialogue is clever and the costumes of the period, the early 70's, lend the play unique pictorial qualities. Mr. Arliss' company includes Ernita Lascelles, Margaret Dale, Florence Arliss, Lilla Campbell, Charles Harbury, Vincent Sternroyd, Arthur Eldred, Henry Carvel and Dudley Digges.

HENRY CLAY SOCIETY.

W. H. Townsend substituted Judge Lafferty on the Henry Clay Society program Monday evening with a live address on the value of giving attention to the work of the society and to the practice court of the law college. Mr. Townsend's talk was enthusiastic and interesting and the boys enjoyed hearing the promising young attorney. The president of the society announced that Miss Hamilton's class in argumentation desired to come over March 22 and see a regular trial conducted as if in court. The program committee was directed to arrange for the trial and organize the court, appoint four students for counsel and submit a case of interest. The trial promises to be not only an interesting one but strict court procedure will be followed and the case will be fought to the end.

UNIVERSITY NOTES

The Founders' Day of the Kentucky Epsilon Chapter of the Sigma Alpha Epsilon fraternity was observed with a banquet at the Phoenix Hotel Tuesday night.

Dr. Fred Mutchler, of the College of Agriculture and head of the Farm Extension work in Kentucky, addressed the Scott County tobacco growers at Georgetown Saturday.

Twelve men passed the examination for mine foremen in the test held recently. Dean C. J. Norwood, of the College of Mines and Metallurgy, was chairman of the board of examiners.

In the report of Fire Inspector Muir, filed March 6, State University is mentioned as having its buildings in perfect condition and using every safeguard for the protection of students.

Jim Park left for his home near Richmond, Saturday, on account of sickness. He has been ill for several weeks and has returned home to recuperate.

Eighteen members of the Strollers will carry the parts of the extra players in George Arliss in "Disraeli," at the Ben Ali Friday and Saturday, according to an arrangement made by the advance agent of the company with the Strollers' stage manager. The players have already been selected and will report at rehearsal tomorrow afternoon.

At a meeting of the executive committee of the Kentucky Intercollegiate Athletic Association, which was held at the Phoenix Monday, it was decided to hold the annual track meet at Georgetown. The basket ball eligibles were discussed and a list of the players eligible in each school will be issued soon by the secretary, John L. Hill, of Georgetown.

At another conference between President H. S. Barker, P. P. Johnston, Jr., a member of the Board of Trustees and the City Commissioners in regard to the widening of Winslow Street, it developed that the University authorities have no legal authority to enter into such a contract unless an appropriation has previously been made and it may take a special act of the Legislature to enable them to carry out their plans.

HIGH SCHOOL MEET

SCHEDULE ANNOUNCED

Coaches, trainers, rubbers, etc., will not be allowed on the track.

No events will be run off unless there are four entries, excepting the relay races.

Starts are made by pistol. A second shot at time of starting means no race. In the long runs, a pistol shot denotes "last lap."

In the hurdle races, knocking down three or more hurdles disqualifies the contestant.

Spike shoes are allowed.

In the relay races, only the winning team will be awarded a cup.

Relays—Teams of six men are to enter, four to run one-quarter mile each. In special relays for ward school teams—Eight men are to enter, six to run 220 yards each. In college events—Entries not restricted.

In the track events the class "B" schools will meet on Friday, May 14. The class "A" schools will meet on Saturday, May 15.

Out-of-town contestants are invited to make the Y. M. C. A. their headquarters during their stay in the city. Information concerning hotels and boarding houses gladly furnished.

CIVIL ENGINEERS ASSIGNED THESES

As their theses work, Dean Walter E. Rowe has assigned practical subjects to all the Senior Civils and the men are now at work on their topics.

The subjects and the Seniors who will handle them follow:

"The Chemical Analysis, Quantity of Flow, Method of Treatment and Design of a Sewage Disposal Plant for the City of Lexington"—G. R. Allison and R. L. Ehrlich.

"Design and Details for a Pin Cemented Highway Bridge"—Townsel Combs.

REV. CASWELL AT Y. M. C. A. FRIDAY

Rev. E. J. Caswell, of the First Baptist Church, will speak to the Y. M. C. A. Friday at 12 o'clock. His theme is "The Insufficiency of Self." Mr. Caswell is a young minister of high repute in Lexington and a live talker. He is the popular referee who officiated on the Stoll gridiron last season and he can talk to young men with the same precision of character and forcefulness as he referees football.

MEDAL DESIGN FOR S. I. A. A. SELECTED

A medal design to be adopted by the Southern Intercollegiate Athletic Association to be awarded the best student-athlete in every branch of athletics, was selected here Monday by the committee, headed by Prof. C. P. Weaver, which was appointed at the December meeting of the association.

The design is made by the Bobbin Company, of Pittsburg, Pa., whose local agent is Fred J. Heintz. It is a square with the corners clipped, on which is an embossed figure of "Victory." On the reverse side are engraved the words "S. I. A. A. Scholarship Medal, Presented to..... by.....year....."

DEAN ANDERSON'S FATHER PASSES AWAY

J. W. Anderson, age 90, father of Dean F. Paul Anderson, and manager of the Studebaker Wagon Works, of Moline, Ill., for many years, died in that city Monday afternoon, after a long illness due to his advanced age.

He is survived by his wife and son, Professor Anderson, dean of the College of Mechanical and Electrical Engineering, funeral services Wednesday, with his family. The burial was in the Moline cemetery.

ROBERT CUNNINGHAM HURT IN ACCIDENT

Robert Cunningham, of Louisville, a student at the University of Kentucky, was painfully injured Monday afternoon by falling from his motorcycle on Maxwell Street near Aylesford when he ran into a large dog. He received a deep gash over his left eye, a scalp wound and several bruises about the body. He was taken into the A. T. O. fraternity house where Dr. Henry Foushee treated his wounds. Cunningham is a member of the Kappa Sigma fraternity.

MEETING ANNOUNCED FOR ALUMNI CLUB

A called meeting of the Alumni Club of State University will be held this afternoon at 4 o'clock with Miss Joseph Kastle at her home on East Maxwell Street.

Election of new officers will be held and all graduates of the University not members of the club are asked to the meeting and urged to be present.

The Woman's Club and Alumni Club of the University have recently received an invitation to join the Woman's Club of Central Kentucky, which is to meet here about the middle of May for a three-days session.

One day during the convention will be given to the Alumni Club, which will hold its meeting on the campus at the University and lunch consisting of sandwiches and coffee will be served.

UNIVERSITY CO-EDS JOIN SUFFRAGE RANKS

An Equal Rights Association was formed at Patt Hall Friday night by twenty-four of the co-eds, under the direction of Mrs. Louise Becker, of Louisville, who was instrumental in organizing the association. Others are expected to join later.

Miss Marie Louise Michot was elected president, Miss Julia Van Arsdale, vice-president, and Miss Jacqueline Hall, secretary of the organization.

"AG" PROFESSORS ON INSTITUTE PROGRAM

Professor W. D. Nichols, of the Animal Husbandry Department, and Prof. George Roberts, of the Agronomy Department, took part in the program of the Lincoln Institute for Colored Farmers, Tuesday. Professor Nicholls spoke on "Cattle Feeding and Silos," and Professor Roberts made an address on "Soil Fertility."

This is the first time in the history of the State that the colored farmers have conducted institute meetings of their own, and great interest was manifested in these meetings. Lincoln Institute, located near Shelbyville, in Shelby County, is doing a great work in co-operating with our agronomy department in soil fertility investigations.

On February 27, Professor Nicholls also attended one of the farmers' meetings at Berea, Ky., where an enthusiastic audience heard his address on "Silos and Dairying."

STUDENTS, ATTENTION!

Do you know that the SPECIAL RATE of 50 per cent DISCOUNT goes off on March 1st? If you have not already arranged for Fotos you must do so at once, or you will lose the opportunity.

Need Lumber? Good Lumber?

It is not alone necessary that lumber shall be good in the first place, but good lumber to retain its goodness must have proper care and attention.

Every stick of lumber that enters our yards is carefully handled. Some is stacked on sticks, some piled in open sheds and some put in enclosed buildings, according to the individual needs. So, each piece will reach you in the best possible condition.

You will find, here, lumber for any purpose from the smallest operation to any ordinary undertaking.
